A vibrant, diverse crowd of people of various ages and ethnicities is walking down a city street. The scene is filled with movement and energy, with people dressed in casual summer attire like tank tops, shorts, and t-shirts. Some individuals stand out with unique accessories such as a mask, a rainbow lanyard, or a hat. The background shows urban elements like a yellow curb, a white van, and a blue car.

A close-up photograph of a person's hand holding a red pen. The hand is positioned as if it is about to write or draw on a white surface. In the background, there is a faint, light gray grid pattern, suggesting a whiteboard or a graph paper. The overall composition is focused on the action of writing or planning.

A photograph of a classroom scene. In the foreground, several students are seated at their desks, looking towards the front of the classroom where a teacher is likely standing. The students are diverse in appearance. One student in the center-left has long brown hair and is smiling broadly. Another student to the right has long red hair and is looking slightly to the side. The desks are filled with various school supplies like notebooks, pens, and pencils. The overall atmosphere appears to be one of a typical classroom setting during a break.
